

PROGRAM

PROGRAM

MESSAGING

11.00-12.30

Registration + Bus Demo Drive

Try a Fuel Cell Electric bus + Networking

12.30-13.00

Standing Lunch/Sandwiches

Networking

13.00-13.40 Part 1: Welcome + Context

13.00-13.05: **Opening FCB OSLO18 and introduction to the program** by moderator Mr. Kristian Vik, Secretary General, Norwegian Hydrogen Forum

Why zero emission transportation and why hydrogen?

13.05-13.20: **Welcome to FCB OSLO18** by Ms. Anette Solli, County Mayor Akershus

13.20-13.40: **Zero emission transportation for Norway** by Mr. Steffen Møller Holst, Vice President - Marketing, SINTEF

13.40-14.30 Part 2: Experiences, Lessons Learned & Future Ambitions

13.40-14.30: **Fuel cell bus stories from real life**
Mr. Barney Crockett, Lord Provost of Aberdeen at Aberdeen City Council
Ms. Pernille Aga, Project Manager, Ruter AS
Mr. Martin West, Engineering Manager, Transport for London

What does it take for Fuel Cell buses to be a valuable addition to public transport in Norway?

14.30-14.50

Coffee Break

Networking

14.50-15.30 Part 3: Hydrogen Infrastructure and Storage

14.50-15.10: **Hydrogen infrastructure and how to implement fuel cell bus fueling in the Nordic cities?** by Mr. Jon André Løkke, CEO, NEL ASA

A fuel cell bus total supply solution is ready for implementation in the Nordic countries

15.10-15.30: **Hydrogen storage solutions and safety for bus and infrastructure** by Mr. Jørn Helge Dahl, Director Market and Sales, Hexagon Composites and Mr. Wegar Løkken, Product Manager, Agility Fuel Solutions

15.30-16.00

Coffee Break

Networking

16.00-17.20 Part 4: Buses & TCO examples

16.00-16.30: **Which Fuel Cell buses are available?**
Mr. David Barnett, Business Development Manager, Wrightbus Ltd
Mr. Geert Van Hecke, Sales Public Services, Van Hool
Mr. Tomasz Pyzalka, Senior Market Analyst, Solaris Bus & Coach S.A.

Fuel cell buses provide an operable and affordable zero-emission solution for public transportation

16.30-16.50: **Service model build to support the mobilization period** by Mr. Lars Husted, European Service Manager, Ballard Power Systems Europe A/S

16.50-17.20: **A commercially competitive Zero Emission bus solution?** by Element Energy

17.20-17.30 Part 5: Round up

Round up FCB OSLO18 by moderator Mr. Kristian Vik, Secretary General, Norwegian Hydrogen Forum

17.30-18.30

Networking drinks and snacks

Networking

Registered participants who do not inform Norwegian Hydrogen Forum of their cancellation and do not attend FCB OSLO18 will incur a no show fee of 500 NOK.
